

CREP Workshop

Tuesday, April 4th
6:00 pm – 8:00 pm

At the Jefferson Conservation District

Located ¼ mi. North of Exit 81 (Hazen) of
I-80 on Route 28 in front of the Jefferson County Fairgrounds

The Conservation Reserve Enhancement Program (CREP) pays farmers and other landowners to conserve and enhance their land. In this workshop, you'll learn about the benefits of CREP, riparian forest buffers, how to identify and control the spread of noxious & invasive weeds on your land, and safe herbicide use. Speakers include Mike Kerr of the Farm Service Agency, Nicole Carutis of the Penn State Extension, Megan Whitlatch of the Jefferson Conservation District, and John Brundege of the DCNR – Bureau of Forestry.

To register, contact the District by March 31st at (814) 849 – 7463

2 pesticide credits offered in the following categories:
1 core, 1 private category (5, 10, 18)

Free soil test kits available
No cost to attend, refreshments provided

Financial and other support for the CREP Outreach Program Office Mini-grant Program is provided by the Pennsylvania Association of Conservation Districts, Inc. through a Growing Greener Watershed Protection grant from the Pennsylvania Department of Environmental Protection and with additional support from USDA-NRCS.
